“Bring Blood...”: Only 39 students at the university of Utah were volunteered to donate their blood through American red cross blood drive on campus. it was regretful that college students were not contributing to this emergency comparing to the previous year. The institution. Is willing for students to realize how the future will become when contributing now. As it only takes few minutes for busy students, the blood clinic has urged students’ help giving flexible time and easy place to reach out.

“Harpers Tells Plight of U Transfer”: Richard M. Gummere, Jr., of Bard College has created a research of why 200,000 college students decide to leave their campus and transfer to new. One of the main reasons for this problem that he found out through his research was that during the admissions procedure, they have several choices to make their application and its natural that students are seeking for something that does not exist. School shuffling is still an embarrassing issue that it is providing students to move wherever they want with just a small unsatisfaction.

“The White Paper” by Dennis White: The great dream of the French has brought a bigger mass named “hundred million” by a French man. A grand old man of France, Charles De Gaulle, is fighting for the republics of France. the major problem from the revolt was because of the negotiation with FLN and another rebel Algerian leader. De Gaulle was one of the main positions to put down the revolt as the revolt of the French generals in Algeria was one of the tragedies. The serious problem that French were concerning was the relationship with the French community and how the civilization could be available for coping with reality.

“Letters to the Editor”: Bob Dellenbach has written a letter to the editor showing his gratitude towards the campaign. Also, he thanks to Steve Brockbank, his new president that even though he lost his election, he was able to rule his student government.
